“ *Dear Ray, I hope you remember me from Albany Little Theatre days back in the 1970's. I was visiting this weekend in Albany and heard the sad news about Jane. Reading about her brought back many happy memories of our thespian days together with the Doolittle's. Decades may have passed since we last saw each other, but I remember you and Jane well. We shared some great times at ALT, didn't we? Please know that my prayers and sympathy are with you and all Jane's family at this sad time. I pray that God will bless and console you, and lighten your hearts with memories of only the best times spent with your beloved Jane.*

*Your friend,
