“ An amazing Mother.... She was a caregiver to the elderly- she stood for their rights and beliefs. She was recognized in Alabama, Georgia and Tennessee for her efforts to improve the quality of life for those she was blessed to know. My sister and I, follow the lead in ascertaining we can improve the lives of others in this life and assist them in moving on to be with our Heavenly Father. Thank you momma!

“ Dear Jo,

I am so sorry for the loss of your mother. My prayer is that God will comfort you and your family during this difficult time. She looked so happy in the photos posted on her tribute wall. Hold near to your heart all those happy, cherished memories of her and hold onto God for strength. Psalms 147:3 tells us "He heals the brokenhearted and binds up their wounds".

She must have been incredibly proud of you and all that you have accomplished.

Please remember that I am a phone call away if you should need anything. Love you!
