“ Mrs. Freeman was my second grade teacher (1966/67) at Magnolia School, and I loved her, dearly. In fact, she was favorite teacher in that whole school. She was kind and beautiful, and read to us, aloud, the biography of Booker T Washington. She made a difference.

“ My dearest Terri, My heartfelt sympathy and prayers are with you and your family at this difficult time. Jan & I were sorority sisters at Mercer and I will always remember how excited we all were when she was named "Miss Mercer". She was such a special person and loved by many.
