“ *I thought of Janet tonight because lady in a movie resembled her so much. I looked her up on Facebook and then found her obituary.... very sad... She was my freshman roommate at The Women's College of Georgia. She met Dean Robbins that year..... and I could tell she really liked him! I last saw Janet in Penny's here at the Macon Mall. We were both in a rush... as life goes and of course there were few ways to keep in contact then if you knew address or home phones with no answering machines!!! I send sympathy to Janets family and hope she died peacefully... a sweet roommate.... she and her red Patton high heels  --- me with my tennis shoes *
