“ *Traci, Janice, Jennifer and family; I did not personally know Jason, but knew him somewhat through Jennifer. I know he was loved by his family and must have been a character. Perhaps, not knowing him, was my loss. I pray comfort during this time of sorrow and have been praying for you all. Love to you all. Jerry & Judy Johnson*

“ I always giggle when I think about Jason and I daring the agency nurse j to pulling the old decon shower lever right outside the ambulance bay @ palmyra, it was about 0300, one problem we couldn't figure out how to cut it off, even enlisted Dr Aina who came umbrella in hand, once we had flooded the entire parking lot all the way down to 14th we gave up and had to call maintenance in, always had a good time with Jason!! What a great guy, love y'all and he truly was a great man and friend!
