“ Heather,

I am at a lost for words. I can't image the pain that you must be feeling, but I want you to know that I am thinking of you. I know you have not heard from me in many years, but it saddens me that you are having to go through this. You are a super person and great friend. I did not know Jason, but he must have been someone very special because I know how special you are. I am very sorry that I can not be there for you, but my prayers are with you and your family. If there is anything I can do for you please let me know. Again, I am deeply sorry for you loss.

“ Heather, I was so shocked and saddened to hear about your tragic loss. My heart hurts for you. I always thought that Jason and you were the cutest couple. Every time I would see Jason, I would tell him how pretty I think you are. He would say "thank you" and tell me you are sweet too.

Matt (my son) is devastated about Jason. He thought so much of him and has reminisced about their boating and wakeboarding experiences.

Heather, God has you in the palm of His hand. He will help you get through this, I promise. My deepest sympathy goes to you and the rest of Jason's family. You are in my thoughts and prayers.

God promises us that if we lean on him he will comfort us during these times. I pray that you will lean on HIM and the rest of us right now. Jason is in a much better place, he is with his Heavenly Father. Say a prayer for Jason and ask GOD to deliver that prayer to Jason for you. “ I will turn their mourning into joy. I will comfort them. I will give them joy in place of their sorrow. Jeremiah 31:13

To the family... Though you cannot see it right now, God can and will bring you through this. I've been where you are now and I thought I wouldn't make it. I AM A LIVING TESTIMONY. The devil will try to use your loss to make depression, and depression to take you down. The WORD says, the thief cometh not but to steal, and to kill, and to destroy but Jesus came that we might have life more abundantly. Jason is now experiencing the abundant life. God promises to turn our sorrow into joy. Stand on his word.

I will keep you in my prayers Heather. You know you can call anytime.
