“ I am so sorry to hear about your father. Some of my best memories in Albany are of us sitting in the yard, talking to family and just enjoying the time together. Your father, mother and Jim will be sorely missed. I hope your love and memories will keep you both strong during this time of sadness.

All my love and support

“ *May you have comfort in knowing that your love one is at peace. The Bible is so comforting because it gives us hope that death is not all there is. Jesus has made it possible through his death we can live again. John 3:16.*
