“ *To the family of Mama Jean,

I was so saddened to hear that Mama Jean passed away. I have always felt like Mama Jean was my other grandmother. When we were growing up, she looked after me the same way she did for Jon and her other grandchildren. I will remember forever how she always grabbed me and gave me a big hug and a kiss on the cheek. She will be greatly missed, but the memories of her will last forever. Everyone who knew her is truly blessed, for people like Mama Jean are rare. I am so thankful to have known her and she has deeply touched my life.*

“ My heart goes out to the family of my "smocking buddy" friend, Jean. She was a great inspiration to me in the two years that I knew her. Her love and support for her family and her courage while dealing with poor health made a lasting impression on me. I am so glad that I got to know her and wish that our friendship had begun much sooner. You will be in my prayers. Lynn

“ Jean was a very special person. I considered her our friend. Our family was the beneficiary of her generosity on sharing her home and pool. They even had a pool table. Jean was very precise and did her work well. She was an avid needle pointer (which I love doing) and loved artistic projects. She was very organized and even had Christmas bought seven months ahead. She did her very best to instill good values in her children and neighbors' children. Jean & Spec are sterling people and worked hard for Deerfield-Windsor school. She was a wonderful neighbor who had her own ways of doing things (the ways were better than mine). We will always love her and Spec, Gerry & Gail. Give our friend Bill Stanfill and Rosemary our love also.
Jean will be missed.
