“ *Just found out about Mrs. Georgia,(as I used to call her) I loved to tease her about Georgia Football. She would always tell me she was going to whip my butt. In my mind she was and always will be that beautiful "Southern Bell." I will miss her!*

“ *Mrs Jean was one of those lovely, classy, sassy, Southern Ladies you loved to be around. She kinda of had that 'guess what I have been up to' grin on her beautiful face. The room would light up when she walked into the Charity League luncheon meeting room. She could be serious when she needed to be but mostly she had a 'full of life' personality and she was a special joy to know. I will miss her.

“ Mrs. Jean was one of the most delightful, fun people I have had the pleasure of knowing. She especially supported me when I lost my husband as she had and again she mentored and supported me when I served as Charity League President as she had. She was so smart, so witty - what a personality!! I learned a lot from her and always knew I could simply look to her as a wonderful role model of strength and courage. What a legacy she leaves to her family - a life well-lived! She will be missed!! Love you, dear Jean!!!
