“ Dear Kathy, Tracy and Robert,
Our thoughts and prayers go out to you and your family. Jean was a wonderful lady and a very dear friend. We shared a lots of good times together. She had a heart of gold and loved her family very much. After I moved from Albany to Atlanta we would talk on the phone for hours about Band Parents, working at MCLB and share what our children and our grandchildren were doing. If you ever need to talk, my phone number is 770-745-0859. Our love to all.

“ John J. and I graduated with Garnet from Rainelle High School, WV, in 1955. She and I were in the high school band and glee club together. She was such a good musician -so talented. Not having seen Garnet since the 60's, I still have beautiful and vivid memories of her. And I know her life was spent being the person she was when I knew her - sweet, kind, helpful, and one of the friendliest persons I ever knew. Our thoughts and prayers go out to the family. May God give them strength during this time of sorrow.

“ My thoughts and prayers are with all of you. Jean and I attended school together, then went to Cincinnati to work. I left before she did, but often remember the good times we had while I was there. We had so hoped that she would be able to attend our 50th class reunion this past October, but that wasn't to be. She will be missed by all of her Rainelle friends. My sympathies to her family and friends.

“ Jean and I worked together at the Marine Base. We became very close friends the 30 years we worked. She was one of the most dedicated, professional lady, I have ever met. I loved her and will miss her terrible. My heart goes out to her children who we talked about on many occasions and she loved dearly.

“ I am saddened by the loss of Mrs. edore. She was one of the BEST who every worked at MCLB. I could always count on her when there was anything involving PMO that I needed help or information from. She was a problem SOLVER and there never were many of those people at the base.

I will never forget the cookies she would send to our shops at Christmastime.

Take comfort in know that the Lord knows the value of Jean's soul and that she is one of his chosen ones and he has brought her home to him now. She earned her place in paradise here on earth. God grant her peace and comfort to those who will miss her.
