“ Dear Jimmy and Family,  
Your mother is one of the special memories of my growing up years. I knew I could cross Slappey and be safe because she was there and on wed. nights, my Mom and I would go to the Arctic Bear for the best burgers and chocolate shakes in the world. She was a blessing to us all. May the blessings of the Lord shine on all of you. Love in Christ, Gloria Adamson

“ The Artic Bear was our favorite place to go and Jean Greene was an important reason for our being there. She as always so kind and so friendly. We listened intently for her distinctive voice to call our number to let us know the order was ready. We missed her and the whole Artic Bear institution when they were no longer on the corner. It was also our privilege to meet Mr. Greene when he was at Sylvester Health Care. We enjoyed talking over old times in Albany with him. Our sympathies to the entire family. God grant you all peace and comfort. Robert and Linda Wells

“ Ray and Yvonda: Please accept my heartfelt sympathy in the passing of your mother Mama Jean. When you and I spoke last about her at work, I know her health was on your mind then. Ray H. may have already told you that I was in Athens this weekend and will not be able to attend the service on Monday due to the site audit that begins tomorrow morning. I know your mother is no longer in pain of any kind as she is with her Savior in heaven. She touched many lives while here on earth and I am very thankful to be one of those that was blessed by her life. Again, please accept my sympathy for you and your family during this time of your loss. May God bless you, Jeff/Sharon & Ivy

“ Dear Jean,  
I am so sorry to hear about your mother passing. She certainly was a fighter. I am proud to have been able to visit her that Christmas and give back to so many who need to be reminded they are loved. You have a huge heart, and such a positive attitude. I don't care how old you are, losing your parent, is something we all must face but, it still feels like you have lost all safety in this world. They love you unconditional, and you didn't have to doubt their love. SO many people put on mask and pretend and when the rubber meets the road, they are no where to be found. Meredith Burnsed called to tell me of your mother passing. We are planning to attend the visitation Sunday. Please read Psalm 57:1-3. Find your strength and peace from God. He will meet you in the moment you call His name. Please know I am here all my family sends their regards and are praying for you and your brothers. Please call if we can help in anyway.

“ I had the opportunity to know Mrs. Greene when I worked with my father at Sikes Motor Company on Ogelthorpe years ago. I had breakfast every morning at the Artic Bear. What a great lady she was. She never met a stranger. May you find comfort in knowing because of her faith, she has stepped into the presence of her Lord.
