“ *Brian, this hasn't been such a happy year for you...loss of your dad at the beginning of 2015 and then at the end of the year, your mom...I knew your parents before you were even born...your aunt Jan and I were childhood friends, graduating from high school together...knew Odessa and Gus so well...James and Nancy lived in FL so I didn't know them and their kids that well...you've lost a lot of family members on dad's side and being an only child, you don't have many to ask, if you want to know something from the past...but you've been blessed...your parents were really proud of you and your accomplishments...may you feel the beautiful undercurrent of His Peace!*

So sorry to hear about your mother's death. It must be extremely difficult since the passing of your dad not too long ago. We know they are now together again.
