“ *Dear Myler Family,*

I especially wanted to tell you all that our thoughts and prayers are with you. I heard from Rip who told us the news. We lost our mother as you probably heard and know how heartbreaking it can be. We all have so many wonderful memories of growing up across the dirt road from your family. Joe and I have the same birthday and I often think of you on that day. Brian and I were close friends and played together all the time on my trampoline and rode bikes together. I think back so fondly of those times. Amy, James and I just wanted you to know we are thinking of everyone and love you all very much. Love Joy, Amy and James.

“ To the family of Jean Myler:
As days and weeks go by, I can see your tears of sadness turn into smiles of joy as you remember the good times you had with Jean, the funny things that she did, and the many times of happiness that her life brought to you. read John 3:16
