“ *Dear Dimi and family,
Your mother was always a true Steel Magnolia. She brought happiness, love, respect, and wisdom to me every time I was around her, whether it be at your house on Front St, "out front at the shop," at PCB, at Turtle Hill, or at the hospital shop. She will be greatly missed by all. Take comfort in your precious memories and the assurance that you will see her again.
I Love You, Dimi,
LeeAnne*

“ *To all the Pace family, my deepest sympathy. I just discovered your loss via The Albany High Times newsletter. My Mom, Jessie Carr worked with Jean when I was in high school and I have lot of fun memories from that time. My Mom always enjoyed working there and she and Jean had lot of fun. Great memories for me as I remember that time in my life. God Bless!!*

“ *Jean was a grand lady! She taught a girl from Wyoming how to be southern. The acts of kindness she shared with my family,(husband Gary, daughter Jennia) will go with us forever and beyond. It was always a joy to share with her. Blessings and love to all.

“ Rani, Cindy, Dimi, Mary Fortune & Jimbo please know that I am so very sorry about our loss of Jean. Since you are all younger than I am, what you may not know is that I not only lost my favorite aunt & my God Mother, but also my first very best friend. Jean was the person I turned to any time I had a problem, needed advice or moral support. Let me count just a few of the ways. First at age 4 when I wanted to jump off the diving board at Turtle Hill; then at my first boy-girl party at Chickasaw when Bob paid \$1 to any boy who caught a chicken and rang the neck, when I wanted to dye my hair any color than red, when Mimi gave me \$35 to buy my first prom dress, and when I knew I was getting married and Don didn't want anyone in the family at our wedding. She solved them all! I can promise you few days, and no Thursday will ever pass by when I won't shed a tear.

“ Mrs. Jean always made my family feel so welcome when we would go to Turtle Hill. The time we celebrated little Micki's birthday when Dusty the clown brought the pony ride, and when Thomas surprized Dimi on her 40th birthday were so much fun! Also the nights we went for moonlight rides on the pontoon boat & The evening Mrs. Jean made us like a 7 course meal and would not let us help her do a thing!! May your wonderful memories of your mom give you happiness and Gods love give you peace during this sad time. We are thankful for your friendship and we love you. Love, Jerry & Margaret

“ Imagine was our theme in high school Dimi if I am not mistaken for our senior dance. I say this because the day your mother left us That song came on. I have always thought of you when that song played. Your spirit, kindness and love of life is what I remember about you when you come to mind. Well thanks to Jean Pace you are in this world to carry on her name and make her proud. So to Mrs Jean Pace I say thank you and your children are surely proud of their lives spent with you. I did not know you well but my mother Nell did and always spoke so highly of you and your business. Glad you are free to be you again and that you left me with such special friends- your children.
