“ I was so shocked to hear of your passing my friend. I remember when we were growing up how you, Allison and I would hang out. Through the years, I often wondered what happened to you or where you were.

Sorry for your family's loss and I will keep them in my thoughts and prayers. May God hold them close, love and comfort them in this their time of need.

“ Hello again my friend. I saw you today. U looked soo beautiful. You would of been proud of your girls. Sandra kept her promise as she had wrote in her poem to you. She didnt cry as promised. She was strong. Michele on the other hand cried the whole time. I held her and she made me cry. I felt so bad for her. I told her to stay strong for her baby and you are proud of her. I didnt want to let go of her. You have very strong girls and beautiful grandkids. The poem sandra wrote to you was beautiful. I loved it and tears came to my eyes as i read it. And also I could not believe I saw Annette there. I was soo shocked and surprised to see Annette. She looked really good. I know you are proud of her. She has really changed her life. Please keep watch over her and guide her. I know I dont have to tell you that because I know you will. I hope Michele and Sandra will keep in touch with me. I have always felt close to Michele. I will always remember you and remember we share a birthday together. Fly with the angels my friend. Good-Bye for now. Oh ya, Adrian came to see you to. I have to go for now and write on my brother Johns page.

“ Jeanette, you was the first person I met when I came to Georgia years ago. Wish we could of stayed close like we used to be. I know you are an angel in the sky looking down after your girls and grandkids. God needed a special angel so he picked you. RIP Jeanette and by the way can you say hi to my brother John, Thanks. I will be back to write on your wall from time to time. I will see you again another day. love you and always thinking of you.

“ Mom, I just wanted to let you know you that I miss and love you very much. I just don't understand why God had to take you from me. I have so many questions but no answers. I know your in a better place, and you are not suffering like you was before. I want you to test high on the mountain, your work was done!!! Sleep with the angels.

*I just thought I'd say
I love you and goodbye
We will miss you dearly
I promise I won't cry.*

*I will never forget our talks
Conversations on the phone
How happy you were to see me
When I finally came home.*

*You worried so much about me
I worried about you too
I know this is the hardest thing
We've ever had to do.*

*I know you'll always be with me
Wherever I will go
No one needs to show me
I will always know.*

*I don't know what to do Mom
I never thought I'd loose you
Where I'll go from here
I still haven't got a clue.*

*I hope you'll watch over me
Be my guiding light
Giving me the strength I need
To win this endless fight.*

*You're my guardian angel Mom
Sitting on my shoulder
Whispering your words of wisdom
To use as I get older.*

*I don't want to say goodbye
But we'll meet again someday
We'll pick up where we left off
Before you went away!!!! Love you mom.*
