

Jeanette Eileen Otto

January 28, 1942 - June 6, 2025

Jeanette Eileen Otto, nee Coulter, was born at Marion, Kansas in January 1942 to Earl and Helen Marie George Coulter. With a Master's degree in Spanish and an adventurous spirit, her career with the U.S. Immigration and Naturalization Service took her to job assignments in California, Texas, Haiti and Washington State, and supported travel all over the world.

In retirement, Jeanette had the good fortune to meet Vernon Copeland and his family, who made her feel that she had found her home in Georgia. Along with Vernon, Susan Copeland was especially close. Jeanette would say she was her "daughter by another mother".

Jeanette is survived by her sister Barbara, brother Art (Rene), many nieces and nephews, the Copeland family, and dear friends, including Lisa Luke, and Jackie Williams, who cared for her with kindness and affection.

A memorial service will be held at a later date.
