“ *Mrs. Rowland was an assistant teacher when I attended St. Teresa's school. She was a sweet woman, and always willing to help. My condolences to her family.*

“ *We are so sad to hear of Jeanette's passing.*

I remember her being so pleasant and warm to speak to every time I saw her in the choir room at church. I also remember her humming to the instrumental music just before communion, and I would join in and some others did too. That was always a sweet and holy experience and a memory I won't forget.

She and the family are in our prayers.

“ Janna (Watts), Scott, Carter, Gavyn, and Edie Youmans send our deepest sympathies. Aunt Jeanette was always so sweet and patient and loving. Growing up, I always treasured when the Rolands would travel north and Greg, David, and Michele would visit. We'd hunt for crayfish and play in the 'crick' behind Nana and PopPop's house. It was always so easy and fun. Just the way it should be with family...family raised by a loving and God-fearing mom like Aunt Jeanette. She will always be remembered fondly and we will continue to pray for your family. xxx ooo

“ How sorry I am to hear about Jeanette. I will always remember her as a cousin who I looked up to and who always had something nice to say. Her mother and my father were siblings. I was 10, Jeanette was 17. I wanted to grow up to be just like her. She could always warm your heart and she was always kind. We lost touch over the years, but she clearly lived a life full of joy and she clearly spread her love around to all she knew. It is so nice to read the beautiful tributes from her friends in Albany. Our condolences to her family and to all she knew and loved ~ Cousin Jeanne

“ I love you, Jeanette.

I am so glad you were born. I feel honored to have shared a portion of my life with you.

To borrow a quote "It was the best of times, it was the worst of times"

The years of our working the Bingo together while raising our children. Volunteering like it was our job. So involved with the school were we. Don't think I ever went when I did not see you there also. The highlight every year -our Bingo Dinner- where I had the privilege to meet your charming and entertaining husband, Chuck. How I cherish these memories!

Then the heartbreaking moment when grief barged in and you resolutely walked ahead on your path alone. How did you do that without the love-of-your-life on this planet?

When my worst nightmare materialized you remained silent while you wrapped me in your embrace because you already knew- there are no words.

I know I never said thank you for that.

Jeannette, I am glad you are my friend.

I dearly appreciate your gentle & quiet spirit. Did I ever tell you that?

I will continue to keep you close to my heart as I hold up your children in prayer.

I thank God for your life, Jeannette.

“ I will never forget the many memories I have from hanging out so often at the Roland house, from Jeanette driving us around in the back of that station wagon, to staying up late playing basketball in the back driveway or ping pong in the playroom, swimming in the above-ground pool, to so many dinners, laughs and gatherings around the patio.

All of these things add up to a huge impact on my life from having known and loved Jeanette.

She also knew my dad and sang with him in the choir long ago, and I appreciate how she always shared her memories of him with me, especially of his singing voice, which I remember so clearly. He lived on for me through her sharing what she remembered about him.

Now, I will carry Jeanette with me, and will share my memories of her. Being part of the good times, along with sharing the sorrow, created in me a special place in my heart that will live on forever. I am grateful I had the honor of knowing Jeanette and being a small part of her life. She truly was a treasure for us all.
