“ Maurice, I'm so sorry to hear of your mom's passing. I remember you telling me of her health declining. I lost my mom at the tender age of 12, and life hasn't been the same since. Just hold on to the memories, they will see you thru. Loving thoughts of you and your family.

“ For the past 3 or more years I visited Ms Jeannette several times a week and helped to care for her toward the end. She shared so many wonderful stories with me about her family and childhood, stories I will always remember and treasure. I have never met a kinder and more careing soul than her. She was my friend! I loved her very much and she will be greatly missed!
