“ *I was saddened to hear of Jeanine's passing. We went to school together and she was very nice to me, but she was very nice to everyone.*

May God hold her in the palm of his hand and lead her to heaven.

Blessings to your whole family, Sara (Cox) Kofoed.

“ *Jeanine and I met as students at Albany High School many years ago. She had a smile that would brighten an entire auditorium and she could always make me laugh. I loved her and spent much time with her and her family before she married Jerry. Although our paths took us in different directions in life we stayed in touch and she was always a friend.*

My deepest sympathy to Jerry and the family.

We will all miss Jeanine.

“ Jeanine always had a way to make you laugh. Those Tuesday morning coffee sharings got us all through the week with kids under foot. I think it was incredible that all but one person that was in the coffee group were there to say the last good byes to Jeanine. May God give to all of you Jerry, Laura, Beth and Jon the strength you need to meet each days needs.

“ To my friend of 40 years - we met when we were both expecting our 3rd child. I have such great memories of our days with the Tuesday morning coffees of moms and dozens of little ones running around at our feet. I will miss your great sense of humor, your pride in your family, your friendship. To Jerry, Jon, Beth and Laura, thank you for sharing this special lady with us. I know you will miss her terribly. Rest peacefully now, Jeanine, in the comforting arms of our Lord.

“ Jon, Beth, Laura and Jerry: I am so saddened by your loss. My heart goes out to you. Your mother was such a generous and kind spirit. She gave a great deal of love and cared about your friends as if they were sons and daughters of her own. I will miss her facebook "hugs" and "smiles." You are in my thoughts and prayers.

Best,

“ Jeanine was won of the most important people in my life...she was a friend, colleague at work, and shared in making my career pursuits as a single mom possible, by also loving my son. She was one of the most giving people it has been my privilege to encounter. My love goes to you Jerry, and John, Beth and Laurie...there is one more star in the heavens...thank you for sharing Jeanine with me.
With love, Kathleen

“ Jeanine was a joy to work with. I worked with her at Palmyra and DCSS, Curriculum. She made each day a pleasure to come to work. It is easy to love her. She had a beautiful spirit. She always talked about her family. You are a wonderful family. I know you will miss her so much. I have since she retired. May you each continue on with her spirit and blessing to other.

“ Jerry, Jon, Beth and Laura - You were blessed to have her as a wife and a mother. I was blessed to have her as a friend. She and I shared stories, laughed often, and cried together during the last few months. I am having a hard time knowing that we will not have lunch together again. She absolutely adored her grandchildren and loved telling me of their accomplishments. She is missed.

Much love,

Lee
