“ Our thoughts and prayers are with your family. We came to know Jeff and Kate while our daughter, Jessica, played soccer on the same team as Kate. He was a very kind and patient Assistant Coach and always willing to do whatever was necessary to help out. He will be deeply missed.

“ My wife Dianne and I want to express our sympathy to the Morrow family for the unexpected loss of Jeff. I had the honor of working with Jeff at child support throughout his time with the agency. He was a pleasure to work with and someone that worked tirelessly to help me and my staff in Atlanta whenever we needed assistance. I served on several committees with Jeff and always appreciated his honesty, integrity and love for the child support program. I will miss him and the friendship that he shared with me over the years. May God bless his family and friends.

“ My brother in Christ, I will never forget the first Christmas that you came to our home to sing Christmas Carols to our family. The gifts you brought are affectionately displayed in our family case. You always held out your hand to greet me with a smile when I visited your church. The Father has you now in his arms and running the Wards with Him. Til we meet again, Tom

“ *Dear Brenda, My heart is so full! Pres. Morrow changed my life when he told me to "go to the temple and pray" about Eddy's proposal. He was inspired and also a good friend to my Mom. The Lord loves you and will carry you during this time of loss but also of learning. Love to all of you! Belinda and family*
