“ *Debbie and Family,*
I'm sincerely honored to have had the opportunity to work with you and Jeff, although my time with him has been cut way too short. His commitment to his family was clearly a top priority, and that came through in all aspects of my working relationship with him. His role of leader and provider is one he took with gladness. I'm honored to have known him, and my heart is heavy with your loss.

*I pray that the God of all comfort will surround you with His love. Jeff was my mentor. He is the guy who made me believe that impossible things were possible. Jeff made all of our lives better in many different ways. He loved you all and I am recalling all the times we talked about our families. Jeff's whole demenaor would always light up when he told me about his wife and girls.
It was an honor to know and work with Jeff. He is greatly missed.*

“ *Debbie and family - We will truly miss Jeff. I can't think of a time in all the years we've known you and Jeff that we didn't come away with nothing but good thoughts about our experience - we had so much fun on the tennis court and other times - we could count on Jeff to keep us intertained. I pray for God's comfort and peace for you and your children.*

“ *Dear Debbie and girls,
I am so heartbroken for you all! I pray God will wrap his arms around you during this difficult time. Jeff was the highlight of many a gathering that we had as a district in Atlanta. His gift of teaching always shined through! Loved his analogies and his history lessons most! I am thankful to have known such an incredible teacher and co-worker, but mostly proud I could call him my friend! I look forward to our heavenly reunion,
thank God for his promise! Boy, would I have loved to have been in his Sunday School class! My love and prayers are with you all!*
