“ I once said the wrong thing not thinking and let you slip away from me when we were young. I never forgot you and I always wished I had held on to you a little tighter. However life took me in another direction and down a different path. I only recently found out about your passing. I sat in the back yard and cried. I still in my quiet moments think of you and wish I could tell you how often I have missed you. Sam

“ **HAPPY BIRTHDAY AUNT LYNN!!!!**

*If Roses grow in Heaven
Lord, please pick a bunch for me.
Place them in my Aunt Lynn's arms
and tell her they're from me.*

*Tell her that I love her and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.*

*Because remembering her is easy,
I do it every day,
but there's an ache within my heart
that will never go away.*

“ I will never forget the summers I spent with Aunt Lynn in Sylvester. We had so much fun at the farm when I was young and I loved every minute of it. She was always there for me and I thought of her as my "second mother". Now one month later, I still can't believe that she is really gone.

“ I still hear Aunt Lynn's cheerful voice saying "SALLY CAT!" and her contagious laughter. She brought so much joy into my life and I will never be able to begin to thank her. She taught me how to live and how to love, and I will continue to be the person she inspired me to be for the rest of my life. She was my partner in crime and was always there when I needed her. And every person she met, she treated as her friend. She will never be forgotten, not by me or anyone who got the privilege to know her.

Color isn't as bright since she left, but without her there would have been no color at all.

I love you Aunt Lynn, always and forever.

“ I WAS VERY SADDENED TO HEAR OF LYNN'S PASSING. TO ALL OF THE FAMILY, YOU ARE IN MY PRAYERS. I HAVE SOME GREAT MEMORIES OF OUR TIME WORKING WITH DOC, AND OTHERS THINGS WE MANAGED TO GET OURSELVES INTO. I KNOW SHE IS IN HEAVEN WITH YOUR MOM AND THAT SHE IS VERY HAPPY NOW. JUST REMEMBER SHE MAY NOT BE HERE IN BODY, BUT HER SPIRIT WILL REMAIN WITH YOU ALWAYS. BOBBIE

“ I am going to miss Aunt Lynn's brassiness, her laugh, her upfront and directness. If she had an opinion, she wasn't scared to speak it. She got it honest from MeMa. Now they are together looking down on us and sharing opinions together. I love you Aunt Lynn. Miss you MeMa.

“ My memory is a painful memory. I had hit a window, like an idiot, and my hand was swollen the next day, so i went in to get it xrayed and she about killed me with the positions she was wanting my hand to be in to get the xray. Learned a valuable lesson there and haven't hit anything since.

“ *My best memories are of the Summer in 1974. Lynn and Robert came to stay with us for a while. We would go swimming most of the time. I know this is silly but I remember Lynn showing us how to blow smoke rings with her cigarette. I thought she was so COOL! I often think about those days and miss you all more than you know.*
