gave them. I am so thankful that they had a papa like you!!
I'll always cherish our memories AND always keep your spirit alive,
until we meet again!
27 years with you just wasn't enough! But until we see you again,

“ Words can't even begin to explain just how much I Loved Jerry. He wasn't my Brother-in-Law, he was my Brother!! As far back as I can remember he has always been in my life just like Trisha, Buddy and Bobby was. We were So Very Blessed that he came into our lives. Anyone that knew Jerry knew what a Wonderful Man he was! He brought So Much Joy, Laughter and Love in to Our Lives. Not only was he Comical and kept us Laughing, he had more Patience than anyone I have ever met and he had so much Love to give, and he did just that. He was one of the most caring and giving People I have ever known. He would give you the Shirt off his back, the shoes off his feet and he would give you his last dime if you needed it. He touched the Hearts of so many!! I Love You Jerry and I Thank You for Loving Me, Raymond, Scott, Jason , My Grandkids and My Entire family as much as you did. I also Thank You for being such a Wonderful Son to My Moma and Daddy and being so Good to them. They Loved You Dearly. You were Like a Second Daddy to My Boys and they Love You with All their Hearts. But Most of All Thank You for being the Best Husband Ever to My Sister and for Loving her as Much as You Did. When She Found You She Found the Best. I could go on and on and on about how Great You were and what You Meant to us All. We have so many Special Memories because of You. I hope You Know Just How Much You Were Loved By Us All. Rest In Peace My Dear Brother. You Will be Missed Tremendously by Absolutely Everyone!! You Were The Best!! One Day We Will All Be Together Again!! What A Glorious Day that will be!! “ As a teenager spending time at Uncle Jerry and Aunt Pat's house was always enjoyed. They always welcomed all of us with open arms. I do remember one time it was a room full and Uncle Jerry came and stood in the doorway where I was sitting on the floor. I reached up and tugged the bottom of his shorts lightly just to get his attention. Well, then his shorts fell straight to the ground in front of everyone. Even though you couldn't see anything because of his long shirt it was very embarrassing but everyone even him was laughing.

I so miss those days and all of you dearly. Aunt Pat thank you and Uncle Jerry for always being so caring to Mark and me. Our hearts are with you all and we love you!

“ Dear family, we had so many good times over the years. Too many to list; the lake, the store, visits in Sasser, Greenwood, and Albany, the beach, cooking, kids school, and much more. All filled with so much love. We will miss you so much.

“ Mrs. Pat , Travis , Amber and extended family, I'm so sorry to hear about the passing of Jerry! My heart hurts for all of you in this time of grief. I have many many fond memories with your family in my teenage year. I have often said many times over the years Jerry and Pat are the ones that taught me to never leave your love ones with out verbally telling them “I love you” those were words very seldom spoken around in my childhood home growing up. In the years that have past and those of raising my children and spending my last days with my dad I was always happy that they instilled that very important part of life in me, bc I know my love one/ones near a dearest to me will never doubt the love I had/have for them. Jerry was an amazing man and left his mark on many with his witty jokes and heart of gold ! Many many prayers Mrs. Pat and Travis and Amber , the world lost and amazing man , but you all gained and Angel that will forever watch over each of you and his extended family remember he will always love you one more time than anything you say!! May God Bless you all with peace and comfort in the days ahead. Sending lot of Love, Diane (Huney) Sutherland!
