“ My deepest sympathy & heartfelt condolences. We have lost a friend and and certainly a arena safety net. When he saw a cowboy or cowgirl in danger, he was on the move. Most times the first to them. I know, my son was most grateful, when his hand become hung in his bullrope and Mr. Jerry was quick on the run to his aid. Never thinking of the danger he was in, was not an issue. His kids in the arena was priority. I know as a Mom, I will miss that.

Mr. Jerry, you will be missed, an certainly never replaced.

“ To the family of Jerry Prothro:

Jerry had such a profound effect on my family. I am so happy to know that my little girl had the opportunity to share in all the laughter, hugs and love that her Papa Jerry gave her. He will live on through the stories and photos of our "family" gatherings. Jerry shared his strength, honesty and laughter to all he encountered. My family and I will always remember Jerry's smile, his eye for beauty, his faith and his love for his family and friends. His life will live on through those that were impacted from knowing him...I know I am a better person from spending time with Jerry. Thank you for sharing Jerry with Mitch, Rhiannon and me. We will always love you and your family and know we are always here for you. You have adopted our family as we have yours. Picnic Pizza will live on through us. We love you and our sympathy goes out to each of you.

Love in Christ,
