“ *I only just discovered your loss on the internet. I am the daughter of Ance (AC) Welch of Crowville, Louisiana. I don't know if Miss Marjorie would remember me, but possibly she would remember my dad, as "Aunt Janie" was my Grandmother Minnie Welch's sister. I would hope that all of you will accept my sincerest condolences. May God Bless each and every one. I would enjoy re-connecting with any of my extended family.*

“ So very sorry to hear of Jess's passing. I read it in the paper this morning, and unfortunately it was too late to attend the service. It is such a shame that our family has drifted apart over the years and that most of the older relatives have gone on to be with the Lord. You have our sincere sympathy.
