Thank you. My Dad was our Superman. He was quick witted, smart and everything a daughter could want in a Daddy. We miss him terribly.

“ *My sincerest condolences to the family on the loss of a fine man. I had the honor and privilege of serving with him as a young diver. He was not only a true professional but truly loved life and had a great wit that comes with a great intellect.*

Gods grace and peace to all of the Williams family Godspeed Master Chief.

Thank you. We are missing him every day! He meant the world to our family - was Always there for us. His wit and love of life were always with him - he still had plans - and that's what hurts the most.
