“ Jill, John, Mike, Meghan and Evan, My thoughts and prayers will be with you in the coming days, weeks, and months. I hope you find comfort and strength in your memories and the love Aunt Jewel had for you all. I have many fond memories of her; some being the earliest memories I can recall (Christmas / Panama City). She was quite a dear aunt to me and will always hold a special place in my heart. May God bless you all.

“ *Dear Jill, I loved Mammy; she was a walking history of Jefferson County and one of the best conversationalists I've ever talked with and that includes much younger people. I'll miss her.*
