“ My name is Amanda Stubbs I was one of the few CNA's that took care of Mrs Adams, I took pride in her, I would doll her up just to see the smile on her face was good enough for me. Mrs Adams was one of the residents at Pruitt that gave me enjoyment in care, we would laugh, talk, she would make sure that every now and then she would give me a kiss and said I love you, I would always say I love you too Mrs Adams she would smile and carry on to another conversation. I took Mrs Adams a shower one day and o my goodness it was like haven to her, it took a while for me to get her out of there, even tho it was almost an hour in the shower I let her enjoy all of what she took in. My prayers are out for the whole family and was a pleasure to meet them. Mrs Adams will always be in my heart, she was a blessing to be around. I'm going to miss her deeply. Mrs Vickie I'm here if you need anything. Love always
Amanda
