“ *We loved Mrs. Jewel. King's Fabrics was the only place we took
mama to buy the material for all our clothes she made. Mrs. Jewel
was the sweetest and always so happy to see us. She will be
missed and heaven has another angel. Prayers for all the family and
friends.*

“ *We will always be grateful for everything you did for us and our family. You were always there to give us a smile and a hug and so much love for us and the grandkids. We know that you are with our Father in heaven now, and that brings us much comfort. We will never forget you, Mimi.*

Jewel took such loving care of our Sister Kay for many years. She was a part of our family and was there to help in any way she could. Always with a smile. She was there beside Kay when she crossed over and they are there together in heaven now. She is probably still helping Kay sort her photos and negatives! Hugs to you Jewel, from all the DuVernet Sisters.
