“ Dear Jack,

We are so sorry for your loss. There have been many times we have spoken in fond memories of you and am sorry we have not made an effort to contact you before now. I know we would have loved your Jimmie as so many have spoken so highly of her.

We lived in Florida for 32 years (Ford Credit) and now in Somerville, Tn for 7 years. Seldom get to Albany anymore but would love to reconnect with you at some point.

Again, we are so sorry for your loss and will pray for you and your family. We hope and pray you all will find peace and know Jimmie is in a wonderful place now.

Your old friends, Dan and Helen Durham

“ I have lots of fond memories of Jimmie from the Bank. She was always so sweet and funny. I was very happy when she and Jack decided to get married, they seem to really be perfect for each other. I enjoyed very much working with both of them, they taught me a lot. Jimmie was very patient with new tellers and even though she worked platform, she understood what we were going through. I have missed her through the years and will pray for Jack and the family. With much love and respect for both Jimmie and Jack, it has been a blessing to have known you. Leigh

“ The story of the drunk who fell in my fish pond with Jimmie looking out of her den window one night will always make me laugh. Her vantage point was better than mine when a female Policewoman took him in tow. We saw him walking down the street the next day holding his head and decorated with my dog's business. Don [1st husband], Jimmie, and then Jack were all good neighbors and are missed. So sorry for your loss and my sincere condolences to all the family.
