“ It seems like yesterday we were sharing Jimmies Hot Dogs and betting on the UGA Tenn football game. I have so many awesome memories of Jim. I met him at AGE Credit Union. He was my boss and was the BEST boss I ever had!!! He would let Renee and I go watch Days Of Our Lives everyday. He was always so caring and giving. He ALWAYS stood up for his employees. Even the time we almost got fired over a Christmas tree!!! We had the best time out on the Marine Base office. Will never forget the little white car he drove everyday. We always laughed at how small it was and boy we knew not to park in his space!!

We kept in touch after the bank days. Sandra and Jim would be at the crafts show selling her pretty stuff. I would also stop by every now and then with a bag of hotdogs! Then I was suprised to have him as a Rehab patient at Lee County. I would always brag to everyone how he was the best boss in the world!! I would still see him every other week when he came to LeeCounty just to visit. I will always think of Jim when the VOLS play. My heart goes out to Sandra & the family. Heaven has another great angel!! Semper Fi love ya Jim
