“ *Even though it's been several years since I've seen Jo (she and I were in the same graduating class at AHS), I feel the world has lost such a special person. She was pretty - inside and out, smart, funny, witty, and a delight to be around. All the memories I have of Jo are good ones, and I'm so sorry she had to suffer for so long. I hope her family can eventually be at peace with their loss. May God bless you all and hold you gently in His arms.*
