“ *I am so sorry. She was a faithful choir member and member of the Micah SS class, always wanting to be a part and join in. We had good times with Joan at fellowship gatherings.*

“ I remember fondly giggling with you and Dad in your family room when I came to visit...many teeth is what I recall best. I also recall our many phone calls catching up and you taking me to the Halloween dress up parties. You had an update on Dad every conversation. You shared what he was going through and you always did it with patience, kindness, no judgement and love. You were born with the heart of an angel, Mama. As we used to discuss, I often wondered how life would have been had I lived with you and Dad. I'm so happy he found you, the love of his life. You were simply the best and I am a better person for having known, loved and been loved by you. Fly high and I'll see you both on the other side. Love Yous Mamas. To the infinity.....XX Lisa
