“ *Jason is the reason I do what I love, and married the girl I did. He was my best friend, as years could not separate us; we always picked up where we left off, despite the years of difference. His parting has left a hole in my heart that will never be filled. I am better for knowing him, and he made me better for being his friend. I will carry his memory with me, always.*

“ *You are gone but surely not forgotten. Reminders of you are everywhere, the color pink, a yellow rose, crepe myrtles, bunnies and so many things. Memories are deep and will always be. Peace.*

“ Joann and I worked together many, many years ago in the Emergency Center at Phoebe Putney. She was a very impressive individual and an excellent nurse. I was saddened to hear of her passing and pray she is at peace. God's blessings to the family.

“ Alex,
I am so sorry to hear of your mothers passing. I know we have not been in contact in many years, but I still remember our friendship and always enjoyed spending time with you and your family. I know how are hard it is to lose a parent and time is the only thing that will heal the pain. Just remember all the good times you had with her. Give my sympathy to the rest of your family and take care.

Sincerely,

Stuart Floyd (Bo)
