“ *Dear Laura and family: We have never met, but I wanted to express my condolences to all of you on Jody's passing. I was shocked and saddened to read my Mom's (Carrie Breeden) e-mail about his heart attack and death. Jody and I grew up next door to each other in Hagerstown, played together in our back yards, and went to school with each other. His mother, Linda, and my mother were good friends. Although we hadn't spoken in years, I always considered Jody my friend. I have fond memories of fun times with Jody. I know that he will be missed. May God give you His peace and comfort in the days ahead.*
