“ *Freeland was a great neighbor and a good friend. He lived down the street from my grandmother Edna Williamson on Cherry Laurel Lane. I met him over the years and we developed a friendship. My grandmother Edna and my mother Glen Ann we're very fond of Freeland . Through his efforts and his care my grandmother was well taken care of. I always knew she was safe with Freeland nearby. I'll always remember him, his beautiful yard, and his love for his dogs and cats. He was one of the good guys.*

“ *At the early age of 15, Freeland taught me how to prepare a calf for the livestock show. Washing, grooming, leading, setting up for judges etc. with his charm, wit & knowledge, he was my first crush. He lived a block down from my step-mom, Edna. I enjoyed renewing an old acquaintance. I always carried a soft spot for him.*
