“ *Being the eldest grandchild, I have had the privilege of calling this man granddaddy for 40 years. I have so many pleasant memories- from his stories and recollections as well as being with him at the plant and on the farm - he was the best. I will truly miss him.*

“ Dad,

*I always kept your deal that we were not going to anymore family funerals after we shoveled that dirt over Wes. I know that since we did not tell anyone about it (one of the few things we kept our mouth shut about) many might not have understood, but we did. I wonder why you had me make that pact with you and then go back on your word. I?m sure that your argument is going to be that you are not there. I think that you?ll still be watching from heaven. As your son, I?ll take the blame for being the first one to break our pact. I?ll be there without you.*
