“ *I am the grandson on Edna Williamson. Joe was always there for Ellison and Edna. I can remember the many times he brought tomatoes from his garden. But more than that he kept in touch with them as during and after the 94 flood. Joe was one of those great guys that always reached out and seemed to know when people needed a call, visit, some tomatoes. My Mema thought he was the best of the best. I did too. He will be missed as all of men of his generation. We will never see men like Joe again. He will be missed.*

“ Dearest Kay,

I am so sorry to hear of Joe's passing. I know he was a caring, loving and giving person whose candle burned out way before his memory ever will. Words cannot comfort your grieving heart. Please know others share your pain and grief. I pray that God will wrap His arms around you and give you the peace and comfort you need at this time and the days ahead. It was such a pleasure to have known Joe and loved those days at Phoebe with him and you as well. My Love and thoughts are with you. Cathy Ivey
