“ *Aunt BB & family,*

So sorry to hear about Uncle Joe passing. He was such a character - Katelyn said she never had her date with him that they talked about last time she saw him :(I can only imagine being married to someone over 50 years and losing them; and don't even want to imagine losing my father. We will be praying for all of you for peace and comfort. Love you all.

“ Joe was a good man who could make me laugh and feel good no matter what was happening. He really cared about people. Joe was always the same. When my son was diagnosed with cancer Joe told me he would be praying for him and would have his church do the same. *jesus said "How will they know that you are one of mine?The love you show toward one another."* Joe showed that love and loved the Lord with all of his heart. Heaven is sweeter today. My son is there,my parents,my mother and father-in-law and numerous other friends and relatives who loved and served the Lord.*First Thesolonians 4:13-18 says those who have Jesus will see our loved ones again. Sorrow comes at night but joy comes in the morning. May the Lord comfort you and keep you as he has been my comptfort in my times of loss*
