“ My heart goes out to this fine guy's family! I have known Glen since 1972 and graduated together in 73 at Smithville Academy, double dated for the prom and first day of school both of us were sent home by the Headmaster for hair being to long. We both got a hair cut and returned to school and started our last school year. He and I continue to stay in touch through FB.....such a good friend that sure will be missed! Very sad today.....what a bad year for everyone.....so very sorry!

I met Mr. Eubanks last year (2019) when he and his wife moved into the house directly across from me. What a very nice family. He told me that his son Chase was the best son in the world.... I will truly miss him saying Hello and I will never forget the funny conversation we had about the television he ordered that was delivered to my home. To hear the sirens and to see the coroner at his home truly broke my heart Saturday morning. Its never easy saying good bye to a good person. Rest In Peace Mr. Eubanks. I will continue to keep watch over there and keep your family in my thoughts and prayers. Leslie Johnson (1711)
