“ Dear Mr/Mrs Blich (David & Harriett), I was deeply saddened when I received the news about John. Even though he will be greatly missed, I know he will always be remembered because he was known and loved by so many. Words cannot express how sorry we are for your loss and we wish there were words of comfort to offer during this time, but know there are none that will take away the pain everyone is feeling right now. Our hearts go out to you both, Deborah, and John's family during this time.
