“ *To Joe and John's children,
My deepest sympathy on the passing of your brother and father.
John was a wonderful influence on me, especially during my
freshman year at Bethany when he drove me to and from the
school. I will always have fond memories of our relationship during
that stressful time for me.
My warmest regards to his entire family.*

“ Mr Dallas was one person you could always go to with any problem in life. He had spend a lot of his personal time in making me a better person when I was not on the right path. I may not had agreed when he was tough on me. But I can say he made the right choice for my future.

Mr Dallas was there for me years after I had left the track and He was retired and enjoying life. I got to thank him for all the guidance and patience.

God Bless the Dallas family
