“ I am so sorry to hear of Kenneth's passing! My brother, Richard Bragg, and Kenneth were very good childhood friends! The funniest thing I remember about Kenneth was his favorite snack at the time. Richard told my Mama to buy some dog biscuits for Kenneth because he liked to eat them. He only liked the Milk-bone ones, not the colored ones. Kenneth got me to try a dog biscuit.....it was not bad! I have not had any since! My brother Richard has been gone since 2002 and I hope he has found Kenneth and that they are having a good time remembering!

“ The FERRELL family in Hawaii grieves with each of you, Donna and the boys and their families, Susan and Lee. I have been so so sad to hear that Ken died last Saturday. As a child, I have many fond memories of Ken when we were growing up. We attended First Baptist Church together in our early years. Whenever my father was planning to stop by Ken's home, I always wanted to go with him. But the best times were when our whole family came by to visit and EAT and play a longer time. When the children got a little too noisy, Aunt Betty would send us outside to run all around. I loved running around their yard playing hide and seek and imaginary games. Sometimes we enjoyed playing ball in the open space across the street and getting together with Granma FERRELL. Ken was Granma Ferrell's favorite I think because Little Ken as we called him when he was younger, to distinguish speaking about his Daddy Ken, was so cute as a boy and looked like Our Granma and her relatives and loved sports like Granma Ferrell. And I remember Aunt Betty baked the best cakes when we visited. I was envious Ken's family lived only a few blocks from The Albany Zoo and adjacent municipal swimming pool where we all learned to swim! One of my favorite family gatherings was hosted by Aunt Joyce and Uncle Jim Watkins for a huge Thanksgiving feast at their Lee County creek side cottage home with the player piano! Aunt Lorraine's family was there too! We all had such a great time. I remember Ken was very athletic and handsome in his youth. I remember Ken always emitted kindness in his eyes like my son Emerson and I appreciated that he was always kind to me. He was thoughtful about fact that I was shy sometimes. He let me play with one of his stuffed animals when we visited. My sister Dianne was same age as Lee and LeeAnne was same age as Ken, so I played with Ken & LeeAnne. I am grateful that I had the pleasure of meeting his beautiful wife Donna and their three fine boys. My prayers have been lifted up for this sweet family over the years. I send all of our faith and love in Jesus Christ and feel happy that he has been reunited with other loved ones in heaven, including my daddy, Ken's Uncle Leland and cousin Bob FERRELL, my brother who both left this earth too soon due to their own personal trials of facing cancer. May The Lord comfort each of

you as you grieve while gathering to remember his life. I believe FAMILIES ARE FORVER and we will all be reunited. Love and ALOHA from Valle Ferrell Watanabe, her husband Russell and children, Jonathan, Emerson and Natalie. " God be with you 'til we meet again at Jesus' feet."
