“ *I was just a child when I met you, you and your family became my second family. I needed a family at that time. You took me in. I will never forget the laughter and the good times we all shared. Thank you for being there. I love you.*

“ Paul is my first cousin, his mother and my mother were sisters. I felt very bad when I heard about his death. He is now at peace!

“ I am Paul's cousin on his mother's side as his mother and mine were sisters. I'm not sure if I ever met Paul but I have heard many stories about him from his sister Claire and my mother. I wish I could have had the opportunity to know him in person rather than just through stories.

“ My mother Claire Fitzgerald Hanley was the only sibling to Paul, my uncle. We heard many stories of the life and times of Claire and Paul growing up and my uncle PAul became a character in my life as all the Hanley's. We would laugh and laugh around the holliday table. Today we remember these memories imbedded in our minds with fondness and love. My family remained very close and has prospered Spritually.

I pray for the same hope for Pauls family that through this death life will emerge and find unity.

i send my regrets that I was not able to be at the services or send any donation or flowers because my family was not contacted to be able to have an ambassador go representing the family. I do send my regrets and respect.

God's word says absent from the body present with the Lord, Uncle Paul is in the presence of the almighty. He is in a peaceful place.

God Bless you all.

Love Susan
