“ *We were sorry to hear of Johnny's passing, but were greatful that he went peacefully, just as he lived.
We were in Mexico and did not learn of his death until March 2, when I called mom.
I'm sorry that I was not here because I had planned to come down with mother.*

I have always admired your dad as positive and content southern gentleman who always had a good story to tell. Mom and dad always enjoyed and looked forward to their visits with your parents. I hope our moms will continue their tradition. I always thought they share more in common than most of their siblings. Love, Mel & Wayne

“ *Elsie and Family...I just last night, 27 February, learned of Johnny's passing. May he rest in peace and I send my sincerest condolences. Johnny approved my first auto loan in October 1963 when I was age 19 years and I can still hear his stern and fatherly words...*

"Now Charlie, you sure better make these payments on the day they are due"... and.... I most surely did! I feel fortunate to have known Johnny and he will be greatly missed.

“ Mrs. Glenn, Betty & Linda...One of my favorite memories of Mr. Glenn is after a fishing trip one afternoon. He was trying to clean a fish on the table in the back yard & Bootsey (my cat) was trying just as hard to climb up his leg to get to that fish! He kept shaking his leg trying to dislodge her...but she wasn't going anywhere but up! The calvary (Linda & me) finally arrived to help!

My love to you all during this sad time.

“ Betty,
So sorry to hear about the loss of your father. It is hard to loose a parent. I smile when I think of the fun times we had growing up and the great atmosphere our parents created for us. I still remember your mother telling us that "cherries in the snow" was a great lipstick color.

*Hugs, Betty!
