“ *I worked with John at MacGregor many years and he did my taxes. He was truly a wonderful friend with a great sense of humor with a hint of devil in him. He has gone to be with our friend Bob McClellan-you two stay out of trouble. I will miss you John and love you lots!*

“ *The first day I met "Pa" and "Ma", I was loved and treated like one of their own children. I remember Uncle Nelson gave me the nickname Jodi-Wodi and it has stuck since then. He has played a big role in my life and is the reason I went into the accounting field. I will forever miss him!*

“ J J and I shared some interesting times at MacGregor. He kept me out of trouble with front office and had a marvelous sense of humor. After we left MacGregor and he was with Carlotta at Taxes, he was invaluable in helping me with my business. Always had a smile and never an unkind word for anyone. Even after I left the Albany area I stayed in touch. I can hear him saying "and they're due tomorrow" as I am composing this tribute. He often called me "Pink" (a private joke between the two of us). He answered his phone, "this is John" and I would reply, "this is Pink" and he would always laugh out loud. He did finally get rid of that old Pontiac (more like a boat than a car). John had a heart of gold and it showed by his love for his family and friends. I only met Candy once but believe me he thought there was nothing like her.

Rest in peace J J for you are in good hands now.

“ I worked with John at Goodwill Industries and found out that he went to school with my dad Gerald Lumpkin. John was a wonderful man. Keeping each of you in my thoughts and prayers. Tally
