“ *John will be greatly missed by many. He was one of those people who made a positive difference in the world. He may be gone but never forgotten. He was a cherished friend.*

“ *We had the pleasure of knowing John for years. John and I went to Martin L King High School together. Played on the same basketball Team for New Calvary M.B Church which is also the Church he attended. John was a true friend. Someone you love to be around. John will tell a joke and we will all look at each other and laugh because the joke wasn't funny that's how much fun we had back in the good days. My wife and I will miss you Friend. I will miss you on facebook. But I will get a laugh when I think about us playing basketball and we use to talk about how tight your shorts were. rest in peace our friend.*

“ I have only known John for a few years, but in that time I cannot think of anytime he was not friendly, honest and a pleasure to talk to. Our world needs more like him and he will surely be missed by everyone that knew him. He loved his family and he loved life. I wish to express my heartfelt sorrow for his departure from this life.

“ John will be truly missed. He was a great person that always made me smile when I spent time with him and his family. My best memory was how he always teased me about living on the other side of the bridge in Albany. He will never be forgotten. God Bless the family !
