“ Ken and I are so sad to hear about John's death. John and I worked together on jobs for several years, but he and Dad, Emil Baugh, worked closely for many years and developed not only a business relationship but a friendship. I can imagine the two of them working on some big project in heaven.

Ken and I met John through Dad. He was so patient to work with as my knowledge of electrical details was next to nothing. He was thorough, pleasant, knowledgeable, kind and we are so glad that we knew him.

Our thoughts are with all of you at this sad time.

“ I send my deepest condolences to the family. May you gain comfort and strength by remembering that God cares (1Peter 5:7). God is for us a refuge and strength, A help that is readily to be found during distresses (Psalm 46:1). I hope this information will comfort you during this time of sorrow.
