“ Chief Mac was my supervisor at the A.F.D. for many years. During that time I developed a great deal of respect for him and a friendship. As is normal, we didn't always agree but we always got the job done with his leadership. What we always agreed on was when to go fishing. As with firefighting he also mastered the sport of fishing. He was a breed of firemen and men that took what they had to work with and did what had to be done. He will be missed. On behalf of Mrs. R.E. Lee (wife of Bn. Chief R.E. Lee, deceased) I have been asked to convey her deepest sympathy to the family.

“ I remember Johnny as being the best looking cousin in the world. He was a big sweet teddybear and I loved coming to Albany to be with my cousins. Even though I have not seen him in many years I will miss him.
