“ *John and I were friends since our days working for the USMC in Phila., more than 40 years ago. We even worked at IRS at the same time. We would talk every few months and if John was nearby in DE he visited. His last visit he brought me a shirt from St. Joe's Univ. which we attended. I did not get to call him last week to tell him my Grand daughter Caila is the newest family member to attend SJU. John and I kept up to date about Albany and Leesburg, former co-workers, our families, St. Teresa's church. I was especially proud of him, as he was, that he went on to get his advanced education. He loved his kids and his grands - especially proud when Jake or Katie could help him. For me, this is the loss of a long chapter in my life. He loved to kid me about Stein-Mart and driving through Leesburg. John was a good friend all these years. Now he has joined Mickey.*

*My condolences to the Family. Rosemary*
